Authorized Pick Up Changes

If you are unable to complete a written pick-up authorization form from the office in advance of having a family member or friend pick up your child, we are requiring you make a request by email to a member of the administrative team. Please include in your written request the full name of the person you are authorizing to pick up your child, and the full name of your child. We would also ask that this email request come from an email address that we have on record for you to verify that it is in fact from a parent. Another option is to use the drop off notes feature in the Links 2 Home app; you will just need to put the authorization for pick-up request in before dropping off your child for the day. We will no longer accept a phone call as authorization for pick up. If you already have authorized pick up forms filled out in the office the person picking up your child simply needs to create a PIN to check your child in/out as you would. If you have questions or want to change your authorized pick up people, feel free to stop by the office.

Sunscreen

Please make sure to apply sunscreen to your child(ren) before they come to school in the morning. We will be using Water Babies sunscreen unless your child(ren) has a specific brand they will need to use. If you need a copy of the sunscreen permission form please stop by the office. We must have a sunscreen permission form signed before we can apply sunscreen to your child.

We have an amazing referral program! For each full time family you refer to Enchanted Care (any location) you will receive **FREE TUITION** for one week.
