## LOOKING AHEAD

Our kids love to laugh and learn! February is a great time of year to get creative with crafts and household projects to keep those busy bodies occupied when the weather prevents outdoor play. Our teachers are hard at work preparing activities to help your child learn and excel through our unique curriculum!

We are pleased to finally announce that our flooring project is complete! Your patience while our building has been in a state of flux has been greatly appreciated, and we continue to appreciate it moving forward as we put everything back together. Even our fish have found their home again!

February is going to be an exciting month for us. We have the Valentine's Day Party, a Parents' Night Out, our Family Art Night, the Scholastic Book Fair, and our annual Literacy Night. These special evenings are a wonderful time to spend with our families, and we hope that we will see you all there!

## IMPORTANT DATES:

2/14- Valentine's Day Party  
2/15- Parents' Night Out  
2/18- Enchanted Care CLOSED

*Our luau was a blast!  
We loved getting the  
chance to see the  
Kids Campus and do  
lots of fun activities.  
We had Hula  
bowling, a lei toss, a  
Tiki head craft, and,  
pictured here, played  
some beach  
volleyball.*

## WINTER WEATHER REMINDER

With all the cold weather and sickness to go with it, please remember that the best way to prevent sickness and the spread of germs is frequent hand-washing. Make it fun with your children by singing a song and washing your own hands right alongside them!

We would also like to remind parents that even in the event of a school closure, Enchanted Care will remain open unless we reach a level three snow emergency. Drive safe and stay warm!
