Mystery Reader Success!

What an awesome turnout we had for our Read Across America week; we had 34 Mystery Readers in total! WOW! We want to say a huge thank you to all who participated in making this fun week so special!

Annual Parent Survey

We are committed to surveying our parents twice a year to ensure our school continuously meets your needs. You will receive the survey via email from SMG Research. To make sure you do not miss this opportunity to provide feedback, please whitelist smg.com in your email system. The fall results have been very helpful in making improvement plans going forward. Even if you responded in the fall, please take about five minutes to update your feedback. Your answers will remain anonymous and only combined answers are shared with school administration. If you have not received your survey by Friday, March 1st, please contact me for assistance. Note, more than one parent may receive and respond to this survey if you have furnished us with both email addresses. Thank you for your honest feedback!

St. Patrick's Day Parties

Because we have gotten such great feedback on utilizing digital signup sheets, classroom St. Patrick's Day party sign-ups will be done through SignUp Genius again. Keep an eye out for the email directing you to your child's class page.
