A WORD FROM OUR PRINCIPAL

Happy spring! We have a fun and busy month planned for our students. In each classroom, we are focusing on art and science activities that celebrate spring and our teachers are creating exciting and engaging centers to accomplish this. Our students always love our annual Earth Day celebration and this year we are releasing ladybugs at 10:30am on Earth Day. Feel free to come dressed in red and black!

As we look forward to the next school year, please remember to let us know that your family intends to return. Please contact me the front desk for questions or concerns.

Sincerely,
Kris Beirne

MARCH IN REVIEW

What an exciting month! We wrapped up our book fair, and due to your love of reading, earned enough to buy \$600 in new books for our classrooms. Thank you!

The middle of the month marked our St. Patrick's Day party, and you may have heard a story or two from your little one about how the leprechaun wreaked havoc in classrooms and left little green footprints everywhere. What a rascal!

We also celebrated Parent Appreciation Week, and we hope you were all able to partake in a treat or two. We know that we have the best parents at Enchanted Care!

We wrapped up the month with our annual science fair, and for those who attended you know how much fun we had launching rockets and making space-themed crafts. We hope your children continued to grow a love of learning through those events!
