A NOTE FROM THE PRINCIPAL

For the past few months we have been busy planning special activities to make this summer fun and memorable. We've officially kicked off our Connect to Summer curriculum enhancement camp for our preschoolers. These programs feature activities that support learning outcomes aligning with your child's developmental level. Please keep an eye out for special communications about activities and events, and about how you can support your child's learning at home. As always, we are here with any questions or concerns you may have. Please don't hesitate to reach out to us!
