## A NOTE FROM THE PRINCIPAL

Summer is in full swing and we are having a great time teaching and learning with our students! We've had several visits from our Kids' Campus friends to read stories to our preschoolers. Young children are always captivated by children who are older than they are, and our preschoolers are benefitting from having so many excellent role models in the building this summer. We can't wait to see what the rest of the summer holds for us!
