A NOTE FROM THE PRINCIPAL

Thank you all for your participation in our Kids Helping Kids initiative this summer and helping us raise over \$500 for Alex's Lemonade Stand! We are grateful for the opportunity to watch our students serve others and appreciate the role you all had in this.

We still have a couple more weeks of summer, and our teachers are hard at work preparing our classrooms for the new school year. Many of our students will be transitioning into new classrooms this month. Check out our opportunities to see your child's new classroom and meet their teacher. Please let us know if you have any questions in the interim.
