Thank You!

Thank you to all of our families who donated items in support of families who are using the services of Nationwide Children's Hospital this holiday season. Your gratitude was sincerely appreciated by the volunteers and staff.

Professional Development Day

Enchanted Care will be having the first of 2 Professional Development Days in 2020 on Monday, February 17th; therefore, our school will be closed. The teachers will spend the day reviewing our Links to Learning curriculum, learning new teaching strategies and working together to improve as a team. The second Professional Development Day will take place in the fall.

Please Drive Slowly!

Remember to drive slowly and cautiously through our parking lots. There are several small children and their families in the parking lot throughout the day and we want to be sure that everyone is safe!
