A NOTE FROM THE PRINCIPAL

The year is off to a great start so far and we're enjoying spending the winter season with you and your children. This time of year our students spend extra time participating in our SPARK physical fitness program, ensuring that they are able to work on their gross motor skills no matter the weather. We're having a great time jumping, dancing and playing together!

Our classes will be celebrating Valentine's Day on February 14th during their morning activities with a valentine exchange! Class numbers will be sent out if you would like your child to share a valentine with their friends.
