

Hilliard II Learning Center

March 2020

A Note From Our Principal

February was a great month at our school! In anticipation of Spring, our teachers are busy planning meaningful learning activities that will help students gain an appreciation for the changing seasons. In order to make the most of the next few months we will be spending extra time outdoors so our students can interact with nature. Please make sure your child has weather appropriate outerwear for school each day.

Sincerely,

Kelli Vitek
