A WORD FROM OUR ADMINISTRATION TEAM

Summer is in full swing and we are having a great time teaching and learning with our students! This month we are celebrating Independence Day and campers are jumping into action, playing games, exploring nature, being creative, and participating in other fun summer-themed activities. We can't wait to see what the rest of the summer holds for us.

Sincerely,
Ronatta Campbell

JUNE IN REVIEW

June marked our first month of being open, and we have been so busy! Our teachers got right back into the swing of things, and their creativity really shined in a time of great uncertainty.

From splash days to baking projects to playing pretend and everything in between, we are having fun and learning every single day!

We are so grateful for our parents who have been patient with us as we figure out how to best keep things running and prioritize safety. Thank you for being flexible with packed lunches, bagged bedding, and hectic drop-offs! We couldn't do what we do without your support.

“

LET US BE GRATEFUL TO THE PEOPLE WHO MAKE US
HAPPY; THEY ARE THE CHARMING GARDENERS WHO
MAKE OUR SOULS BLOSSOM.

TAKE A NOTE...

HEALTH & SAFETY MEASURES

The health and safety of our children and families is always our highest priority. To mitigate the risks of COVID-19 while children are in our care, we have adopted additional health and safety measures based on CDC guidelines, state and local regulations, and the American Academy of Pediatrics. Visit our school website to learn more information.

LINKS 2 HOME

We know that summer is a busy time for our families, and want to communicate school happenings as clearly as possible to ensure that no one is left out. As a reminder, daily reports are sent via email each day, but our Links 2 Home app keeps all school communications in one place and is always accessible. The app also allows to you communicate absences to your child's teacher, leave drop-off notes, and read teacher and administrative notes in detail. If you're not a current app user, we encourage you to visit the Apple App Store or Google Play Store to download the app today. You will need to login with the email address you use for Alma. Please let us know if you have issues logging into Links 2 Home!
