ENCHANTED CARE

Monthly Newsletter

A WORD FROM US

Thank you all for your participation in our Kids Helping Communities initiative this summer! Your generosity helped support families in need through Feeding America. We are grateful for the opportunity to watch our students serve others these past few weeks and appreciate the role you all had in this. We still have a few more weeks of summer and our teachers are hard at work preparing our classrooms for the new school year. Please let us know if you have any questions or concerns in the interim.

Sincerely,
Administration Team

JULY IN REVIEW

It's been a hot month, but we're keeping cool with splash days and shady hangouts on the playground. Our toddlers pretended to be pirates searching for treasure, our infants went to outer space, our beginners unearthed dinosaurs, and our preschoolers went on a safari! We are keeping busy, but always making time for a quick happy dance when mom and dad come to pick us up at the end of a long day.

We are looking forward to one more month of soaking up the sun, but also gearing up for the start of the new school year at the end of August. We're keeping the learning and the fun going! Thank you for all your continued support!

“

YOU ARE SO MUCH SUNSHINE IN EVERY SQUARE INCH.

”

TAKE A NOTE...

HEALTH & SAFETY MEASURES

The health and safety of our children and families is always our highest priority. To mitigate the risks of COVID-19 while children are in our care, we have adopted additional health and safety measures based on CDC guidelines, state and local regulations, and the American Academy of Pediatrics. Visit our school website to learn more information.

LINKS 2 HOME

We know that summer is a busy time for our families, and want to communicate school happenings as clearly as possible to ensure that no one is left out. As a reminder, daily reports are sent via email each day, but our Links 2 Home app keeps all school communications in one place and is always accessible. The app also allows to you communicate absences to your child's teacher, leave drop-off notes, and read teacher and administrative notes in detail. If you're not a current app user, we encourage you to visit the Apple App Store or Google Play Store to download the app today. You will need to login with the email address you use for Alma. Please let us know if you have issues logging into Links 2 Home!

LOOKING AHEAD

IMPORTANT DATES
