

ENCHANTED CARE LEARNING CENTER

September 2020 Newsletter

Welcome!

To all of our new and returning families

We look forward to spending a healthy and eventful school year with you and your family! We have several policies in place to ensure we maintain a clean and healthy environment during these changing times. Please feel free to reach out to an administrator if you have any questions about how we are keeping our school and your child safe!

Transition Week is Finally Here!

Beginning August 31st...

Several of our classes will be moving programs together with new teachers! Our students have learned and played so hard this past year so to kick off the new school year we will be having a school-wide dance party on Friday, September 4th where students will be able to shake their sillies out with their friends and teachers. Keep an eye out for those fun photos! We are also planning several events centered around one of our other favorite things, reading!
