October 2020 Newsletter

## One month in...

We have had a successful first month following our class transitions. In October, we will continue practicing our new class rules that we've established in September. We encourage discussion at home about following class safety rules and being a good friend to others. As we transition into cooler months, we will be sending home summer cubby clothes to be switched out for warmer clothes. Please be sure your child is prepared with a jacket for cooler mornings!

## Academics

### Parent-Teacher Conferences

We will be scheduling parent-teacher conferences in October for you to check in on your child's progress beyond what is on their daily report. Please sign up [HERE](#). Conferences will be limited to 15 minute zoom sessions. We are happy to schedule another session later in the week if more time is needed!

### Lunch services are returning on Oct. 1!

We are excited for this next phase of our re-opening and am sure this is great news for many! If you would prefer to continue packing your child's lunch, please reach out to administration. Please note that it will need to be packed consistently for the remainder of the school year and will still need to be shelf stable.

### Look out for our updated parent handbook.

Parents should have received a Docusign email to e-sign our new parent handbook. This includes COVID-19 guidelines and an updated illness policy.
