

# ENCHANTED CARE LEARNING CENTER

November 2020 Newsletter

## The giving season...

November is a great time to focus on our family and gratitude for others. We are hoping to have a few parents from each preschool class volunteer to share a story during morning circle time. Virtually, of course! This is a wonderful opportunity to help make our children feel extra special and grateful for the time you spend with them. Please email Allison if you are interested!

### Happy Fall...

Sensory play is a perfect chance for children to explore textures, sights, and scents of the fall season. Multi-sensory experiences help children retain information better, build new skills, and develop a lifelong love of learning. Your child has already started to hear about the changing seasons through circle time stories like "Sixteen Runaway Pumpkins" by Dianne Ochiltree and "Red Leaf, Yellow Leaf" by Lois Ehlert. They have experienced different sensory fun like squishing pumpkin pulp and digging through bins of leaves to decorate fall trees in their classroom. Look out for more of these great learning opportunities happening in your child's classroom via Links2Home.
