## Reminders:

**Family Handbook with Covid updates-** We have updated our Family Handbook to include a COVID consent form acknowledging voluntary return to school. We will be emailing the revised handbook to all currently enrolled families. We will issue the handbooks through DocuSign, an electronic signature and tracking system, please make sure you sign and submit-please let me know if you have any questions.

**Tuition** is due Monday. If payments are not made by noon on Tuesday, a \$25 late payment fee will be charged. We offer automatic check withdraw and credit card payments. Please reach out if either of these payment options appeals to you.

**Drop off Times-**Please make sure you are adhering to the prescribed times of Drop off 7:30am-9:00. This is extremely important so that Curriculum can promptly start for Kindergarten and the Crew leaders have a chance to organize the day with the club connect students.

**Pick-ups-** Many of you are loving the curb side service. To make things even easier you can place a name card in the dash of your

car! Just make it big enough so we can read it from the doors, and you won't even have to get out of the car and put on the masks!

**Feedback and communication-** Please let me know if you have any feedback-good, bad, or awesome! This year there has been a lot of changes and the only way we can improve is with your feedback, plus any time a parent says something nice about a crew leader I buy them lunch!
