## *Classroom Holiday Celebrations—Monday, December 21st*

Through the month of December, our classes will be learning about different winter holidays and customs. On Monday, December 21st, our students will showcase their learning and the holiday décor they've created with a classroom celebration. Students will be celebrating with story time, crafts and a special snack. We will miss having parents attend this year's holiday celebrations and know that you all will enjoy the holiday crafts that your student brings home!

## *Holiday Giving Project*

For this holiday season we will be donating hats, gloves, scarves, and blankets to Stow Mission of Central Ohio. We will be accepting donations until December 18th. Please see an Admin for any more details.

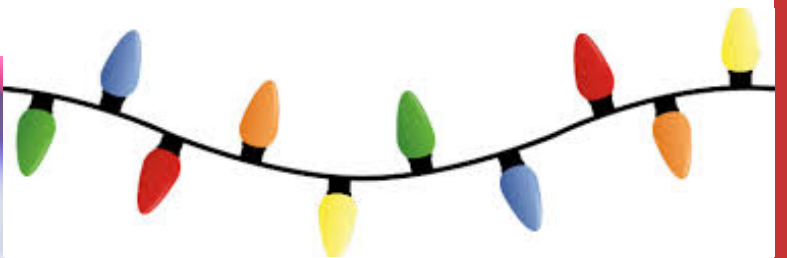

## *School Closure Reminders*

As a reminder, we do not always follow the closure schedule of the local public schools. Our goal is to be open as many days as possible to support our working parents. If we must close for any reason, you will receive a notification via Links 2 Home as soon as the closure is announced. We also post notifications on our website.

## *Winter Clothing Reminder*

If you've not already done so, please check your child's cubby to ensure they have an extra set of weather appropriate clothes. Students also need to come to school each day with a jacket and dressed warmly enough to play outside for part of the day. We want everyone to be able to participate!

## *Love our school? Review us!*

In today's connected world, many families turn to online reviews to learn more about the reputation of schools. Just a reminder that you can find our school on Facebook, Google, Yelp and other online directories. We'd love more families like yours, so please consider spreading the word about our school.
