

ENCHANTED CARE LEARNING CENTER

December 2020 Newsletter

We have some really special kids...

While your child is at school, our teachers always build them up and give them positive feedback throughout the day. We love telling them just how special and fantastic they are! On December 17th, we are asking parents to write a "secret" drop off note in the Links2Home app that teachers will read to the class at circle time. Tell them how amazing and special they are for all their friends to hear!

Academics

Parent Reports

Each week our teachers create classroom activities and lesson plans that showcase developmentally appropriate skills for your child. Through these activities, teachers gauge how your child is developing in individual skill areas. They have compiled lots of information over the last few months and have prepared our first quarter parent reports! Reports will be sent home on Friday, Dec. 4th. Please review these carefully and feel free to request a conference with your child's teacher if you have any questions.

Additional items

NEW Links2Home Capabilities!

Beginning Nov. 30th you will be able to notify us through the Links2Home app when you have arrived to drop off or pick up your child. We will also continue watching out for your arrival as well.

We will also begin new COVID protocols by recording your child's temperature into our app at drop-off and asking health screening questions. **Please note these changes may impact the amount of time it takes to drop-off.**

Annual Giving Drive

Help us donate winter items (coats, blankets, gloves, hats, scarves) to One Warm Coat and the Salvation Army. Please bring your items in at drop-off no later than Dec. 18th.
