

NOVEMBER 2020

# ENCHANTED CARE

Monthly Newsletter

## A WORD FROM US

We hope your children enjoyed their fall lessons, pumpkin themed activities, and classroom celebrations last month. Seeing our students enjoy their Halloween costumes and fall attire is one of the highlights of the year for us. Thank you for allowing us to be part of these special occasions! This month we are focusing on gratitude and connecting with others. Though we cannot hold all of our normal fall celebrations this year, we have many special activities planned for our students and are looking forward to sharing photos with you all on Links 2 Home. As always, please let us know if you have any questions or concerns.

Sincerely,  
Administration Team

## OCTOBER IN REVIEW

October is always such a magical time of year. The leaves change, the air gets crisp, and there's nothing quite like sitting around an open fire. We were sad to miss out on our annual trip to the pumpkin patch, but the feeling of the season is in full swing and we couldn't be more excited.

We've been busy all month working on fall-themed activities, exploring the inside and outside of pumpkins, and excitedly chatting about our Halloween costumes. It's been such a fun month and we are so glad you were here to share it with us!

“

I'M SO GLAD I LIVE IN A WORLD WHERE THERE ARE  
OCTOBERS.

-L.M. MONTGOMERY

”

# TAKE A NOTE...

## **SMG SURVEYS**

Starting around November 10, you may see an email to complete our biannual SMG survey. These surveys only take a couple of minutes to complete, and your feedback is essential for us to be able to improve your school experience. We are also raffling off a free week of tuition for your oldest child, but it's only available to families who complete the survey. Thank you for helping us in our continuous improvement of our school!

## **CUBBY CLOTHES**

This is a good time of year to swap summer clothes for warmer options! Check with your child's teacher to see what your cubby clothes needs are.

## **ILLNESS POLICY REMINDER**

Our parents are vital partners in helping us to maintain a safe and healthy environment for the students in our school. The most important thing you can do to assist us in creating a healthy environment is to keep your child home if they are ill. This reduces the spread of illness and allows your child to fully recuperate. For more information please see our Parent Handbook or reach out to a member of our administrative team.

# LOOKING AHEAD

## IMPORTANT DATES
