February 2021 Newsletter

SPARKing joy!

We've been having lots of fun so far this year and are enjoying spending the winter season with your children. This time of year our students spend extra time participating in our SPARK physical fitness program, ensuring that they are able to have fun working on their gross motor skills, no matter the weather!

Get involved...

We are ready to spread some love and joy this Valentine's Day with live Zoom in events. We are excited to roll these out and give our families a chance to connect with your child's class and teachers.

We will be having a Valentine's exchange for anyone wishing to participate. **Class lists are available on our school website under February News.**

Love our School? Review us!

In today's connected world, many families turn to online reviews to learn more about the reputation of schools. Just a reminder that you can find our school on Facebook, Google, Yelp and other online directories. We'd love more families like yours, so please consider spreading the word about our school.

Meet Ms. Jamie!

Lookout for a new face outside during pick-up/drop-off! Our new administrative assistant, Ms. Jamie is looking forward to meeting you all and getting to know your family at the start of the month. Make sure you have your car tag ready as she gets to know you (and your vehicle)!
