March 2021 Newsletter

Spring is coming!

February was a great month at our school! In anticipation of spring, our teachers are busy planning meaningful learning activities that will help students gain an appreciation for the changing seasons. In order to make the most of the next few months we will be spending extra time outdoors so our students can interact with nature. Please make sure your child has weather appropriate outerwear for school each day.

Parent Reports...

On March 5th your child's teacher will be sending home Spring Progress Reports. Progress Reports were last sent out in the Fall and will now include updated information from those previous skill evaluations. Feel free to reach out and request a parent-teacher conference to follow-up on the reports during our designated conference week!
