Ms. Spangler

From the Principal:

This month is full of excitement for our students! We have weekly themes planned and so much more. Spring is right around the corner. In order to make the most of the next few months, we will be spending extra time outdoors, so our students can interact with nature. Please make sure your child has weather appropriate outerwear for school each day.

Sincerely,

Ms. Te-Asia Smith

Events and News:

Attention: We are trying something a little different to showcase our monthly events. Please see our attached calendar for our weekly themes and fun activities we have planned!

Please lookout for more information on our Spring Parent Satisfaction Surveys coming out mid-March. We hope to hear from each of our families and are appreciative of any feedback you may have! Please remember if you mention specific staff members, they will receive something special!

Reminders and Updates:

Family Handbook with Covid updates- We have updated our Family Handbook to include a COVID consent form acknowledging voluntary return to school. The email of the revised handbook was sent to all currently enrolled families. We will issue the handbooks through DocuSign, an electronic signature and tracking system, please make sure you sign and submit if you haven't already. Please let me know if you have any questions.
