

# Week of the Young Child

April 12th-16th, 2021

## Handmade Instruments

Students will work with their teachers to create their own handmade musical instruments! During their outside time, students will form a parade as they play their instruments around the playground.

Learning Center • Kids Campus

**TASTY TUESDAY**

## Taco Time

We will become chefs as we make our own lunches today! We will follow multi-step directions as we make our own taco's using the individual ingredients provided to us.

**WORK TOGETHER WEDNESDAY**

## School Mural

We will create an "add on" mural to be hung in our muscle room. As each class plays in the muscle room, they will have the opportunity to add to the mural.

**ARTSY THURSDAY**

## Outside Art

We will take the art studio outside today! Students will use materials like water, brushes, spray bottles, sidewalk chalk, and watercolor to make their creations!

**FAMILY FRIDAY**

## Zoom Read-In

Schedule a time with admin to read a story to your child's class - siblings, parents, grandparents, etc. all welcome to sign up!
