

# ENCHANTED CARE LEARNING CENTER

*April 2021 Newsletter*

## Spring has arrived!

It has been so fun seeing our students enjoying the warmth and sunshine again! We are looking forward to spending more time outside by scheduling nature walks and picnics over the next several weeks! In anticipation of summer, we will soon be sending out our camp calendar to showcase all of the fun events available for our preschoolers this summer.

## Academics

### Earth Day

This Earth Day we want your help to make a connection between your child's actions at home and school to reinforce how important it is to care for our Earth. Please see the next page for our Earth Day event and how you can help us take action!

## Additional items

### Parent Satisfaction Survey!

By now you've received an email request to complete a satisfaction survey for our school. Please note the survey closes on 4/9! We hope to hear from each of our families and hope we've earned 5 out of 5 satisfaction from you!

### Love our School? Review us!

In today's connected world, many families turn to online reviews to learn more about the reputation of schools. Just a reminder that you can find our school on Facebook, Google, Yelp and other online directories. We'd love more families like yours, so please consider spreading the word about our school.
