## A note from your principal:

Thank you all for helping our school celebrate Earth Day in April. Though we had to delay our Ladybug release due to the unseasonably cool weather, it ended up being a huge success. Celebrating Earth Day provided our teachers with many opportunities to relate science, math and literacy concepts to everyday life. As we move into May, we are getting our classrooms ready for a summer of additional enrichment. We can't wait to spend summer with you and your children!

On May 26th at 3:00 pm, we will be having our Pre-K graduation! The children have been working hard all year to prepare for Kindergarten and we are so excited to celebrate their accomplishments. More information will be sent home soon.

Beginning on June 1st, we will resume our normal operating hours. We will open at 7:00 am and close at 6:00 pm. Please be advised that our late fee policy is still in effect and late pick-ups will be charged \$1/min after 6:00.

Sincerely,  
Melissa
