Links 2 Home

We know that summer is a busy time for our families, and want to communicate school happenings as clearly as possible to ensure that no one is left out. As a reminder, daily reports are sent via email each day, but our Links 2 Home app keeps all school communications in one place and is always accessible. The app also allows to you communicate absences to your child's teacher, leave drop-off notes, and read teacher and administrative notes in detail. If you're not a current app user, we encourage you to visit the Apple App Store or Google Play Store to download the app today. You will need to login with the email address you use for Alma. Please let us know if you have issues logging into Links 2 Home!

Summer Paperwork

Please make sure you have completed all paperwork. If you have not completed and returned paperwork, you will be asked to do so when dropping off. Your child cannot enter the building without it.

If you have already returned all your paperwork, you may be asked to complete missing items, such as addresses. Items that need completed will be highlighted for your convenience.

Mask Policy

As an organization we are required to comply with ODJFS and the State of Ohio Guidelines. While we understand that the mask mandate is being lifted June 2nd, child care centers are an exception. Below is the exception for your convenience:

Exception to 5/17/2021 Amended Public Health Order – Child Care

The exception to this amended health order is child education settings as outlined in the August 13, 2020 public health order. This means that all employees and staff in all child care settings and any child kindergarten age and above must wear a mask.

SUNSCREEN

Please provide a bottle of **Banana Boat Kids** sunscreen with an **SPF of 45** or higher. It can be lotion or aerosol.
