ENCHANTED CARE LEARNING CENTER GAHANNA

A NOTE FROM OUR PRINCIPAL

Thank you all for helping our school celebrate Earth Day. Together, students at our school learned all about how to care for our planet and planted their own flowers to help it grow. Celebrating Earth Day provided our teachers with many opportunities to relate science, math, and literacy concepts to everyday life. As we move into May, we are getting our classrooms ready for a summer of additional enrichment. We can't wait to spend the summer with you and your children!

Sincerely,
Mindy Rostorfer
