A note from your principal:

Summer is in full swing and we are having a great time teaching and learning with our students! This month we are celebrating Independence Day and students are jumping into action, playing games, exploring nature, being creative, and participating in other fun summer-themed activities. We can't wait to see what the rest of the summer holds for us.

Please be sure to check out the camp calendar to keep up to date on the events and activities for the month of July. There have been a few changes from the calendar previously sent out.

Next month, we will be closed on Friday, August 13 to allow our teachers to continue their professional development in the field of Early Childhood Education. Our teachers will also be preparing for the upcoming school year, which will begin on August 16th. On this date, many of our students will be transitioning to their new classrooms. Transition letters will be going out at the beginning of August for these students.

Sincerely,
Melissa
