## Enchanted Care Families:

I am excited to welcome a few new summer team members to our Enchanted Care team for camp! Mr. Patrick is excited to spend the summer with us and create some fun memories with our Blue Crew! Mr. Krishiv will also be joining our team for the summer! He will be working with Ms. Izabella and our Purple Crew! Ms. Ashton is here to join our team for the summer and school year! She will be helping out in all our crews throughout the day. I hope you'll join me in welcoming them to the team.

I am super excited to announce Ms. Kensie has been promoted to the Assistant Principal position! She has been a part of our team for two years as a crew leader and is elated to begin her new role. Ms. Kensie will be training our new team members while transition to her new role. Please join me in congratulating her!

Everyone is exciting for all the fun activities and field trips we have planned for July. We did have to make a few adjustments to the calendar. We work very hard to plan a fun and extensive summer camp for our campers. Sometimes those plans have to change. Due to a transportation conflict, we are changing the location of our Field trip to Smith Park. Luke a Magician cancelled all his booked events for the whole summer. Our event was schedule for August 3<sup>rd</sup>. Ms. Kensie and I plan to take the kiddos to the Powell Splash pad to experience a different slash pad. We will also have a frozen treat brought in that day. These changes are notes below. They were also updated on the attached July calendar.

In addition to our calendar, our entire Enchanted Care Columbus team participates in an annual giving event each summer. This year we have planned a market wide, Cycles for Smiles event. The details are included here:

Please let me know if you have any concerns or questions and I will be more than happy to assist you.

Wishing You Well,  
Mallory Harney, Floating Principal

## Reminders and Updates:

**Drop Off and Pick-Up:** Just a friendly reminder, you must walk your child into the building each morning and come into the building for pick-up. We do our best to have someone up front during pick-up and drop-off, but sometimes we are needed elsewhere in the building. Currently, we are also requiring masks for all students and adults. Thanks for your understanding.

**Family Handbook with Covid updates-** We have updated our Family Handbook to include a COVID consent form acknowledging voluntary return to school. The email of the revised handbook was sent to all currently enrolled families. We will issue the handbooks through DocuSign, an electronic signature and tracking system, please make sure you sign and submit if you haven't already. Please let me know if you have any questions.

**Tuition** is due Monday. If payments are not made by noon on Tuesday, a \$25 late payment fee will be charged. Please check your email for our updated payment policy.
