LINKS 2 HOME APP

We know that summer is a busy time for our families, and want to communicate school happenings as clearly as possible to ensure that no one is left out. As a reminder, daily reports are sent via email each day, but our Links 2 Home app keeps all school communications in one place and is always accessible. The app also allows to you communicate absences to your child's teacher, leave drop-off notes, and read teacher and administrative notes in detail. If you're not a current app user, we encourage you to visit the Apple App Store or Google Play Store to download the app today. You will need to login with the email address you use for Alma. Please let us know if you have issues logging into Links 2 Home!
