

Enchanted Care Learning Center

January 2022

Reminders

Please check your child's cubby daily. We try to go outside each day when the weather allows. Please dress your child accordingly. You can leave a hat and gloves in their cubby.

With the amount of Covid cases rising in the community we have to be extra vigilant with monitoring illness in the school. Please continue to do the at home health assessment before coming to school. As a reminder our policy is 72 hours fever free without the aid of medication.

Melissa Maines - Principal

A note from your principal:

Happy New Year! I hope you all enjoyed a healthy and happy holiday season. We can't wait to spend 2022 with you and your children. I would like to thank all of you for your generosity over the holidays. The teachers, administrative team, and I truly appreciate all the gifts and notes we received! These thoughts of appreciation mean so much to us. As always, thank you for choosing our school for your children.

The winter season is here. Please be sure to dress your child accordingly, including hats and mittens. Also, be sure that your child has extra clothes available in their cubby for the winter weather (this is a great time to check sizes too).

Sincerely,
Melissa
