Monthly Newsletter

A Message from Administration

Our teachers and camp counselors have been busy planning to make this summer fun and memorable for our students. Keep an eye out for communications about upcoming events and activities. As always, we are here with any questions or concerns you may have. Please don't hesitate to reach out to us.

Swim/Water Days

We have several water play days planned for our students this summer and can't wait for your child to participate! Children should come to school in their swimsuit (with swim diaper when applicable) and with a towel and a change of dry clothes. Please remember to apply sunscreen to your child before you drop them off.

Links2Home (TadPoles)

We know that summer is a busy time for our families. We want to communicate school happenings as clearly as possible to ensure that no one is left out. Daily reports are sent via email each day, but our Links 2 Home app keeps all school communications in one place and is always accessible. The app also allows you to communicate absences to your child's teacher, leave drop-off notes, and read school notes in detail. We encourage you to visit the Apple App Store or Google Play Store to download the app today. You will need to login with the email address you use for Alma.

Please let us know if you have any issues.

Locker Refresh

Our students love spending time outdoors and we want to make sure we take ample advantage of the nice weather. Please make sure to refresh the spare clothing in your child's cubby. Take home anything that no longer fits and leave a spare set of well-fitting, weather-appropriate clothes.

Camp Referral

Refer a friend for summer camp and receive one week's camp tuition free!

**Both families must be registered for at least 6 weeks of camp*

**Weekly activity fee will be billed as normal*
